

Advion Fire Ant Bait Guarantee Program

The Advion® Fire Ant Bait Guarantee Program is a great way to take advantage of the unsurpassed speed and unbeatable results of Advion Fire Ant Bait. Here's how to participate:

To qualify for the Advion Fire Ant Bait Guarantee Program:

Make at least two applications of Advion, one in the spring and fall at 1.5 lbs/Acre each.

Advion Guarantee Program

With Advion Fire Ant Bait, Syngenta guarantees you will achieve at least 90% control of active mounds within a minimum period of 3 to 7 days after the first broadcast application, and season-long control after the second broadcast application when used in accordance with the product label instructions. If not, we will replace your purchase of Advion as described in this Guarantee Program. Contact your Syngenta Territory Manager or Syngenta Authorized Distributor/Retailer with questions.

Advion Fire Ant Bait provides control of fire ants fast, **providing total colony control in 24 to 72 hours**, including the queen. With only one application, Advion Fire Ant Bait provides control of foraging worker ants within 12 to 48 hours and total colony control within 72 hours. After two applications, year-long colony control can be achieved. No other fire ant bait on the market compares to Advion in speed of control.

Guarantee Program Terms and Conditions

To qualify for the 2019 Advion Fire Ant Bait Guarantee Program, purchases of Advion must be made between October 1, 2019 and September 30, 2020. In the event Syngenta determines (i) you have not achieved at least 90% control after your first broadcast application, and (ii) you have complied with the terms and conditions described in the Guarantee Program, including following all label directions, Syngenta will replace your purchase of Advion Fire Ant Bait with additional Advion Fire Ant Bait to retreat those acres on which you did not achieve at least 90% control. For guaranteed season-long control, you must have made at least two broadcast applications, one in the spring (April-May) and the second in the fall (mid-Sept.) at 1.5 lbs/A per application. Syngenta will not pay for the application or other costs associated with rescue treatment. Syngenta reserves the right to investigate each product performance complaint, to verify all purchases, or modify or discontinue this Guarantee Program at any time without prior notice.
