FREQUENTLY ASKED QUESTIONS

1. Is Golden Advantage different than financing?

Golden Advantage is an extended terms offer funded through Syngenta Seeds, LLC. Payment for the 2025-2026 season Golden Harvest seed and Syngenta Seedcare products purchase is due in full ON OR BEFORE December 4, 2026.

2. How do I use Golden Advantage to pay for my Golden Harvest seed?

Contact your authorized Golden Harvest Seed Advisor and complete the Golden Advantage application, and place an order for Golden Harvest seed and Syngenta Seedcare products. The Golden Harvest Credit Team will use SSN and FEIN provided (if applicable) to perform a credit check.

3. Who do I pay when my Golden Advantage payment is due next December?

Complete payment to Golden Harvest for your Golden Advantage balance by logging into your Golden Advantage account, or by mail (*make check payable to Syngenta Seeds LLC*) JPMorgan Chase Lockbox Processing, Attn: Golden Advantage, P.O. Box 772318, Detroit, MI 48277-2318.

4. When is the application deadline for Golden Advantage in the 2026 planting season?

Applications for use in the 2026 planting season must be submitted by May 1, 2026.

5. When is the due date for the 2026 planting season Golden Advantage account balances?

Account balances from the 2026 planting season are due December 4, 2026. **If submitting Payments by USPS – allow sufficient time for delivery prior to deadline. It is not uncommon for payments to arrive more than 2-weeks after the postmark date. Syngenta is not responsible for late payments due to delivery delays.**

6. Can I place both seed and seed treatment on my Golden Advantage account?

Yes, both seed and qualified seed treatment can be applied to a Golden Advantage account. Seed treatment applied by a local Seed Advisor (downstream) can also be applied to a Golden Advantage account.

7. Who can I contact with questions regarding Golden Advantage?

Contact your local Golden Harvest Seed Advisor or contact Golden Advantage support at 855-939-0058 or ask@goldenadvantagesupport.com.
