

# PARTNERING TO GIVE YOU *THE EDGE*

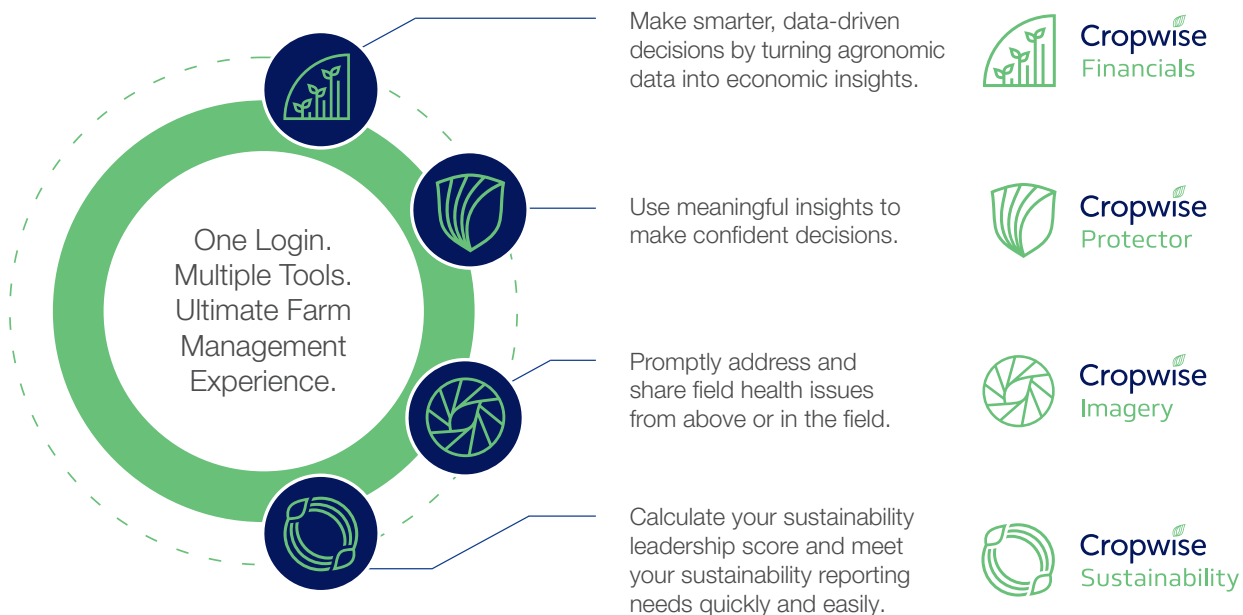

AgriEdge® is a **dedicated agribusiness partnership** that helps you address today's farm management challenges and embrace future seasons' opportunities.

## TECHNOLOGY THAT WORKS FOR YOU

Gain access to a suite of digital tools within the Cropwise™ ecosystem, which can maximize yield potential, boost profitability potential and drive efficiency on your farm.

### CROPWISE: ONE CONNECTED PLATFORM

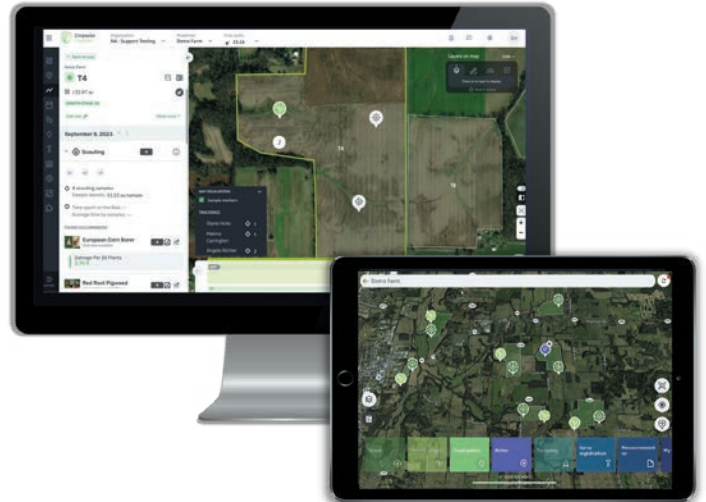

Cropwise  
Protector

# MAKE EASIER, CONFIDENT DECISIONS WITH CROPWISE PROTECTOR

**Cropwise Protector** makes your agronomic decisions **easier and faster**, helping you turn data into **meaningful insights** – and higher yield potential. Scout efficiently and make confident decisions based on insights gleaned from your data.

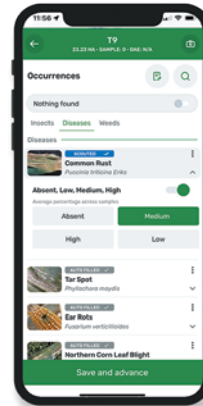

## FEATURES:

- Save time scouting with intuitive features and customization to match your needs
- Scout offline so you are not limited by your cell connection
- Integrate photos, notes and voice recordings
- Get customized pest measurements
- Add more than one item at a given point
- Track observations throughout the field
- Document steps you've taken and how you've responded to challenges in real time
- Integrate with Cropwise Imagery for more thorough field insights

## MAKE CONFIDENT DECISIONS.

Make smarter decisions with just a few clicks. There's also an easy-to-read pick list and field-list view, and you can share actions you've taken in real time for increased transparency and collaboration among your operation.
