### CROPWISE: ONE CONNECTED PLATFORM

# UNLOCK THE POWER OF YOUR FARM WITH CROPWISE FINANCIALS

Cropwise  
Financials

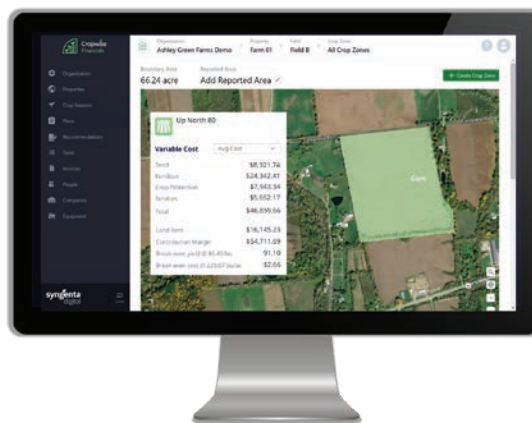

**Cropwise™ Financials** is a game-changing tool that helps turn your farm's raw data into powerful, profit-driving insights. Digitally organize your farm so you can plan for maximum profit on each acre, execute the plans with confidence and effortlessly navigate the compliance requirements of farming. Cropwise Financials isn't just software; it's your partner in building a more resilient farm. Harness the power of your data and watch your farm's full potential come to life.

## THIS CUTTING-EDGE PLATFORM EMPOWERS YOU TO:

- Monitor inputs and yields at entity, farm and field levels
- Optimize ROI potential and organize input needs early and accurately using the Crop Plan feature
- Manage input pricing, inventories and billing accuracy through invoice tracking
- Record the details of every pass across each field, including application rates, tank-mix information, equipment used, applicator license information and environmental conditions
- Track active ingredients applied to your field to inform resistance management strategies
- Know your breakeven on each field to inform marketing decisions
- Account for every unit harvested from each field, whether it's stored or sold with load-by-load tracking
- Import records from OEM controllers and export important data to processors with our third-party integrations
- Simplify regulatory compliance reporting with our suite of customizable reports
- Manage your farm in the office by using our web application or on the go with our iOS app

**Proven. Trusted. Secure.** Your trust is our priority and we're dedicated to maintaining the highest standards of data protection in the agricultural industry. Syngenta proudly adheres to the U.S. Farm Bureau's Privacy and Security Principles in all data handling practices. Our policy is built on these principles:

- Your data always belongs to you
- Your data is used solely to support you — only you can authorize when and to whom it is shared
- We never analyze, aggregate or mine your data without your consent
