Stacked Cereals Reward lets you earn on matching acres when you stack qualifying products across categories. The more categories you stack, the higher your reward per acre.

Category 3:

Miravis® Ace ADEPIDYN™ technology + Miravis® Era ADEPIDYN™ technology

Category 1:

Moddus®

Category 2:

Quilt®

Miravis® Neo

How the Stacked Cereals Reward works:

Earn $0.50/ac when matching Miravis® Ace and or Miravis® Era with either Category 1 **OR** Category 2

Earn $2.00/ac when matching Miravis® Ace and or Miravis® Era with BOTH Category 1 **AND** Category 2

*Payment is based on Category 3 acres that match with the other category treatments. Minimum 100 acres needs to be purchased to activate each category.

Visit Syngenta.ca/PartnerProgram to calculate your rewards today.

For more information on the 2027 Partner Program, or any Syngenta products and services, visit Syngenta.ca, call our Customer Interaction Centre at 1-87-SYNGENTA (1-877-964-3682) or contact your retailer.

Partner Program™

syngenta®

2027 Syngenta Partner Program Rules & Regulations

(Eastern Canada)

1. Pre-Registration: Growers who registered for the Partner Program (East) in a prior year are automatically registered for the 2027 Partner Program (East).

   a. Pre-registered growers who DO wish to change any or all of the information contained in their previous registration for the Partner Program (East) must submit a new Partner Program (East) Form ("Registration Form") with the revised information by the Registration Deadline.

   b. Pre-registered growers who DO NOT wish to change any information contained in their previous registration for the Partner Program (East) do not need to re-submit a new Registration Form.

2. New Registration: If not already pre-registered, Growers may register for participation in the Program by completing and submitting a "Syngenta Partner Program Registration Form" online Registration Form that is available at: Syngenta.ca/PartnerProgram.

3. Registration Deadline: Registration Forms must be received by Syngenta by September 30, 2027 (the "Registration Deadline").

4. Program Dates: The 2027 Partner Program (East) begins on November 1, 2026, and ends on October 31, 2027 ("Program Period").

5. Program Eligibility: The 2026 Partner Program (East) only applies to Growers who are commercially active in the Provinces of: Ontario, Quebec, New Brunswick, Nova Scotia, Prince Edward Island and Newfoundland & Labrador.
6. Earn $4/acre reward when you: Purchase Storen™ (1.6 L/acre) and match with Aatrex® (0.5 L/acre) on equal acres of both products. Must follow all Partner Program East rules and regulations. Reward applies only to qualified Aatrex acres. Both products must be applied on matching acres.

7. Allegro® 500F and Allegro Quadris® Bean co-pack sold under the Syngenta brand will earn points equal to Kadexa™ SC.

8. Reward Calculation: For each unit of an eligible product purchased by the Grower, point(s) will be awarded by Syngenta in accordance with the Partner Program 2027 Calculator published by Syngenta on the following website: Syngenta.ca/PartnerProgram (the "Calculator"). No points will be awarded for purchases of products not listed in the Calculator. Based on the number of points accumulated by the Grower, the Grower may qualify for a Program rebate reward as set out in the Calculator. Syngenta, in its sole discretion, shall be entitled to make changes to the Calculator.

9. Rules and Regulations: The 2027 Partner Program (East) is expressly subject to the SYNGENTA GROWER PROGRAM RULES AND REGULATIONS ("Rules and Regulations") available at: Syngenta.ca/Rules. The Rules and Regulations are incorporated herein by reference and form an integral part of the 2027 Partner Program (East). Each Grower participating in the 2027 Partner Program (East) acknowledges having read and understood the Rules and Regulations.

Syngenta reserves the right to change the Rules and Regulations of the Partner Program without prior notice.

Always read and follow label directions. Allegro® Quadris® Bean Pack is a co-pack of Allegro 500F fungicide and Quadris fungicide. Kadexa™ SC Quadris® Bean Pack is a co-pack of Kadexa SC fungicide and Quadris fungicide. Elatus® is a co-pack of Elatus® A and Elatus® B fungicides. Equento® Cereals is an on-seed application of Cruiser® Vibrance® Quattro fungicide/insecticide seed treatment and Equento with PLINAZOLIN® technology insecticide seed treatment. Miravis® Neo refers to Miravis® Neo 300SE fungicide. Orondis Gold Potato is a co-pack of Orondis Gold A 200SC fungicide and Orondis Gold B 480SL fungicide. Revus Top® is a co-pack of Revus® and Inspire® fungicides.
