PARTNERING TO GIVE YOU THE EDGE

AgriEdge® is a dedicated agribusiness partnership that helps you address today’s farm management challenges and embrace future seasons’ opportunities.

WE GIVE YOU THE...

**AGRONOMIC EDGE**
With tailored recommendations, integrated crop planning and access to a complete portfolio of leading seed and crop protection products.

**ECONOMIC EDGE**
With field-level profitability statements, competitive financing with the Syngenta product portfolio and the cost-share opportunity to select the right product for the right acre.

**STEWARDSHIP EDGE**
With comprehensive record keeping, easy-to-run reports for seamless regulatory compliance and sustainable practice tracking to tell your farm’s story to stakeholders and consumers.

ALL ROOTED IN TECHNOLOGY AND SERVICE.

**TECHNOLOGY EDGE**
The Cropwise™ digital toolset is the foundation of AgriEdge. It’s an inventive and evolving suite of tools that enable you to proactively manage your farm, helping you to drive productivity, profitability and compliance.

**SERVICE EDGE**
Exclusive access to the Syngenta team, paired with your local retailer support, will help ensure you have the agronomic and technical resources you need to give your farm the AgriEDGE.
TECHNOLOGY THAT WORKS FOR YOU

Gain access to a suite of digital tools within the Cropwise ecosystem, which can maximize yield potential, boost profitability potential and drive efficiency on your farm — all the while knowing that your data will always belong to you.

CROPWISE: ONE CONNECTED PLATFORM

POWERFULLY SIMPLE

Promptly address and share field health issues. See a holistic view of the farm from above or in the field.

Take the guesswork out of it. Assess crop health using real and reliable data.

Side-by-side view. Monitor the same area over time for changes.

High-resolution option available.

KNOW YOUR NUMBERS

Make smart, data-driven decisions. Turn agronomic field data into economic insights.

Digitize your farm. Digitize records and save time with regulatory reporting.

Maximize potential returns. Manage inputs, forecast profit and track field-level activity – all at your fingertips.

Proven. Trusted. Secure. The data you enter will always belong to you.

YOUR ON-RAMP TO SUSTAINABILITY

Take the initiative. Calculate your sustainability leadership score quickly and easily.

Measure the results. Receive your farm-level sustainability results with actionable insights.

Partner for impact. Meet your sustainability reporting needs for business partners.
